

WADSA's Vision for Long Term Care

We believe that life should include joy, passion, fun, family and friends and aging should be no exception. WADSA champions living arrangements and supportive services that are safe, well chosen and integrated with the community.

WADSA actively seeks Community Partners who work with individuals and families helping people *Age in Place*. In becoming a Community Partner with WADSA, your organization and staff agree to uphold WADSA's vision for life and aging.

This information will be used on our website, www.adultday.org in sponsoring events and in other publications to describe your organization.
